## Special School Meal Information

Welcome to your new School meals menu for 2024/25. School meals are free for all pupils in Reception, Year 1 and Year 2 and for pupils who are entitled to Free School Meals. For pupils in other years meals can be ordered and paid for via the school.

Catering Services work with the Lead Association for Catering in Education (LACA) to ensure that our menus comply with the Government's School Food Standards. We have reduced sugar, salt and fat content on our menu and support local suppliers providing fresh meat and vegetables. Our meals are produced in school by our award-winning teams to support your child's lunchtime experience. We have recently partnered with ProVeg helping to make changes to our menu that can have a big impact on children's health and the health of the planet.

### How do I order and pay for a School meal?

All meals will be ordered via Bromcom. The tutor will take orders from the students each morning and will report them back to the office. For students that are not FSM eligible we will contact you on a weekly basis with the amount owed and the bank details to send the payment to.

### What happens if my child has a school trip?

Free School Meals and pupils in Reception, Years 1 & 2 will be provided with packed meals on trip days, the school will order directly with Catering Services. Paid meals should be ordered with your school as usual.

### What if I require a special medical diet?

We can work with you and the school to support a medically prescribed special diet. Please ask for a Special Diet Request form from the school office, once completed return with the medical evidence to the school office. This request will then be passed to and reviewed by the Catering Services team and where possible a special diet meal will be provided.

### How much does a school meal cost?

A school meal is currently £2.85, this may be subject to change but the school will contact you if there are to be any changes.

### Free School Meals Eligibility

We would like to remind you that some families are entitled to Free School Meals. There are two important reasons why families should register for Free School Meals:

- students who are eligible receive a fresh nutritious hot Free School Meal every day.
- schools receive additional funding from the government for each eligible student who claims the Free School Meal allowance, even if the student doesn't regularly eat a meal.

The process for parents to submit applications for Free School Meals is now entirely online, and so schools will be unable to provide hardcopy forms or submit your application form for you. This system gives families an instant indication as to whether their child is eligible for Free School Meals and ensures that eligible children receive their entitlement as quickly as possible.
